## LBU Inverted B.A. Degree Program

Dear Potential Student:

Louisiana Baptist University is pleased to provide qualifying inmates with basic academic studies by mail that can lead to a Bachelor of Arts (BA) degree in Bible at a minimal cost. A “qualified” student must first successfully complete ALL 33 studies in the PMI Center for Biblical Studies with no grade lower than an “A”.

Usually, basic courses such as English, Math, and History are required at the beginning of a degree program. Because of intensive Bible studies a student completes at the PMI Center for Biblical Studies, LBU has designed an *Inverted Degree Program*, allowing students to take the core studies at the end of the program. If an applying student has already completed the listed courses, LBU may substitute other work that might increase the final cost of the program. Regardless, the student will still be required to complete a minimum of ten (10) courses through LBU to earn a degree from our university.

### THE PROCESS FOR APPLYING

An application to enroll in LBU may be requested from the PMI Center for Biblical Studies, POB 177, Battle Creek, MI, **after** a student has completed at least 98 credit hours of Bible coursework through the Center. PMI will provide LBU with an official transcript of your studies. The student is to send the completed application and **\$210.00**<sup>1</sup>(preferably a Postal money order) direct to: Louisiana Baptist University. This will cover the following: Enrollment Fee -\$60.00, English I and II \$80.00, and \$65.00 for the textbook for English I and II, plus shipping charges of \$5.00.

Upon receipt of the application, money order, and transcript record of studies, LBU will send the approved student a contract and specific information necessary to proceed.

### CREDENTIALS AND ACCREDITATION

Louisiana Baptist University is an undergraduate and graduate level, co-educational, Christian liberal arts university chartered by the State of Louisiana.

The university is affiliated with Bible Baptist Fellowship International of Springfield, Missouri, an ecclesiastical group with over 4,000 churches and six colleges and universities.
